**Weather:** Saying Texas Weather is unpredictable is an understatement — TNT will give as much notice as possible if weather conditions do not permit us to launch. Check the TNT Facebook page or look for an email for launch status: <https://www.facebook.com/tripolinorthtexas/>

**Waiver:** Commercial Motors: 32,000 ft AGL

Research Motors: 29,500 ft AGL

**College Teams:** We encourage all college team members to get Tripoli certified. The prefect will be available to witness flights and administer cert tests. If you plan on launching a large group project for Spaceport America Cup, SDS, SLI... please coordinate with us before the launch. (Contact the prefect at the email address below.)

**Motors:** All flights must stay under the waiver! Let us know if you plan on flying anything larger than an M.

**High Power Flyers:** Must produce a current TRA or NAR membership card indicating your cert level

**Restrictions:** Sparky Motors – may be allowed depending on field conditions – the launch director will decide no later than Friday evening before the launch

**Port-a-Potty** - available on the field

**Range Fees:** (note: there is also a small PayPal fee added applied at registration)

Model Rockets (<=G motor) – Free

Student Club Members – \$15,

TNT Club Members – \$30

Non-Members – \$40

Port-a-Potty donation: Most of the launch fees go to the cost of the Port-a-Potty (\$195 per launch). We will gladly accept donations for the Port-a-Potty so we can use launch fees to improve the club infrastructure.
